

December 2021

Dear Neighbour,

Please find enclosed our latest TNPI Info newsletter, containing important information and updates about Trans-Northern's commitment to keeping our pipeline neighbours such as you, the public, and the environment safe.

**Pipeline safety is a shared responsibility.** You can help avoid incidents by following these safe practices:

- **Watch and report** unusual smells, vandalism, broken marker signs and/or other damage by calling **1-800-361-0608** or, for non-emergency notices, by emailing us at [info@tnpi.ca](mailto:info@tnpi.ca)
- **Always "click" before you dig.** Regulations require that you contact Ontario One-Call or InfoExcavation before commencing any digging within 30 metres of each side of a pipeline, any construction near the pipeline, or if crossing over a pipeline with a vehicle or machinery.
- **Report immediately** any contact made with the pipeline or damage caused to the pipeline by calling us at **1-800-361-0608** (even a nick to the pipe can lead to corrosive, long-term damage).
- **Visit [www.tnpi.ca](http://www.tnpi.ca)** for more information

**A special gift**

**Please find enclosed a magnetic notepad listing our Emergency Contact number – 1-800-361-0608 – which is answered 24/7.**

**Keep in touch**

Moving? New landowner or resident? Trans-Northern works with all landowners along our right-of-way to provide advance notice of any upcoming activities that might be required in the area. Please visit [tnpi.ca/landowners](http://tnpi.ca/landowners) to update your contact information with Trans-Northern.

We want to thank you for your continued diligence and the care you take to helping us keep the pipeline that crosses your property safe. By continuing to work together, we can help protect you, your family, and the environment from any activities that might damage the pipeline.

Best wishes for a safe and happy holiday season. We hope you enjoy the Winter 2021-2022 TNPI Info newsletter, and share your feedback with us by completing the online survey at [www.tnpi.ca/landowners](http://www.tnpi.ca/landowners) or by emailing us at [info@tnpi.ca](mailto:info@tnpi.ca).

Yours truly,

Gail Sharko  
Manager, Regulatory & External Affairs
